Kate Halls Proposal

New business proposal for DruryVotes spray paint sidewalk chalk. Total is about \$60.00.

From campus to the polls on Election Day. Red and blue spray paint

Moved and seconded to allocate 60 dollars for DruryVotes.

Emilee Harless' Proposal

Electrical Box Mural Supplies

Allocated a thousand dollars to the mural project (1000 dollar project), number came from talking to Brandon, best to just have a budget of 1000. He can give us back of what's not used. Shouldn't be above a thousand dollars. Materials used for the project (paint)

Moved to allocate a thousand dollars and seconded

Moved to a vote

Ayes have it

Open Discussion

Nick - Tickets sent out

Paul – Documents on teams, can submit a business proposal without talking on the floor. Along with our SGA documents (constitution, etc...). Also has SGA budgets, can be accessed at any time. Main worksheet shows what we're doing with all the money this year. Allocation by year sheet. Budget calculations page. Documenting we will be reclaiming from every organization.

Clouse – Some students who work with Drury know we have a large budget, concerns about what we do with this budget, explained about the projects, back to the point of we discussed last time, our label isn't really known across Drury. Students still don't really know what we do.

Greer – Operating budget will be posted online. None of our documents are really sensitive. Students are free to know and see financial documents. Ask students what we should do with it.

Haley – Might be a good idea to talk about how we give our money to student orgs.

Rispoli – All the documents are uploaded to the Drury SGA website, talk about how the organization funding comes from SGA. Will be used in a smart and efficient manner. SGA ensures no organization will spend their funds on nothing. We currently don't have access to the files, sharing options?

Hinkle – Good to know, we will have that fixed.

Greer – Document library is linked through share point. Not teams.

Rauscher – Please feel free to go through and look at whatever you want, please do not adjust anything. Be careful with the sheets, but you're free to go through them.

Clouse – Clarification, are you not able to close of editing permissions?

Hinkle – We could, but a lot of permission settings will need to be reorganized with new passwords for everyone. You can download a copy as well.

Greer – Press ctrl z to undo any adjustments you've made
