 - Retreat discussion
 - Pros
 - Altahafi- motivation at the retreat was exponential and will be extended the rest of the year. We gained confidence and are a better general assembly
 - Schupbach- A one day retreat is more concise, yet burnout was seen at the end of the retreat
 - Cons
 - We need more free time for students to debrief/relax
 - Breaks are good to keep energy high, we need more of that next time
 - Altahafi and Parrish- Cabin was rather informal, conference room was more casual and not as structured. Conference was more professional.

- Advisor.....Mr. Paul Hinkle
 - Very impressed with the retreat
 - Impressed with the integrity and thoughtfulness that we show when we make decisions and for being good stewards for our students money, as well as the needs and wants of our population.
