- Senator Ahmed- "I lost my spray bottle. Can I acquire one from the university?"
 - President Rauscher and Mr. Hinkle- SGA purchased one per student. However, some extras were purchased. We need to decide if we want to distribute extras to students who may have lost theirs. More on that later.

- **New Business**

- Vice President Greer: SGA Giveaways

- Check your emails to view the links to all giveaway items and reference which items will be given away
- President Rauscher- The amount requested is above the \$5,000.01 mark. We will need passage in the general assembly and present the proposal today with intent to vote next week
- Senator Altahafi- "Could you remind me the intent of this project, as it is the course of the entire semester?"
 - Vice President Greer- This system was developed to allow us to engage with students and give them a raffle ticket for doing good deeds.
- Mr. Hinkle- The debates should include making sure we know what is happening and when.
 - All senators should be comfortable discussing this initiative if other students ask
- Senator Schupbach- "Can one student win every week, or is there a cutoff?"
 - President Rauscher- We will not limit who wins the prizes, if they truthfully win twice, they win twice
- President Rauscher- We want to keep this a positive thing for students and avoid competition
- Vice President Greer- An average of 160 different students will win something throughout the course of the semester
 - Mr. Hinkle- There will also be a monthly drawing on a larger item so we can make sure we can be as ethical as possible in making sure all students have the opportunity to win.
- Vice President Greer- Please reach out before next Tuesday if you have any suggestions on the initiative
